With 102,000 jobs, Healthcare is one of the largest industry clusters in the Austin metro. Travis County is home to 75% of all Healthcare industry jobs in the region.

The Healthcare industry includes four sub-clusters:

- Care Centers & Services: 47,600
- Hospitals: 24,000
- Offices of Physicians, Dentists & Therapists: 27,400
- Medical & Diagnostic Labs: 2,500

The Austin metro is home to nearly 65,000 middle-skill healthcare positions. Six occupations account for two-thirds of these jobs.

- Registered Nurses: 14,000
- Nursing Assistants: 5,800
- Medical Assistants: 3,800
- LPN/LVN: 3,700
- Home Health Aides: 3,700
- All Other Middle Skill Healthcare Jobs: 23,000

The Austin metro produced over 5,200 graduates from post-secondary healthcare programs in 2016.

- Certificate: 1,981
- Associate's: 687
- Bachelor's: 1,822
- Master's+: 704

Despite recent increases in healthcare graduates in most program levels, several significant shortages exist:

- Registered Nurses (Shortage)
- Nursing Assistants & Orderlies (Shortage)
- LPN/LVN's (Shortage)
- Radiology Techs & Surgical Techs (Moderate Shortage)
- Cardiovascular Techs and MRI Techs (Severe Shortage)
- Dental Assistants (Shortage)
- Dental Hygienists (Severe Shortage)
- Dental Lab Techs (Severe Shortage)
