

# Workforce Solutions- Capital Area presents:

- Pathways to Middle Skill Jobs

Internships/summer opportunities

9:00-9:15:	Welcome & Overview
9:15-9:25:	LMI & Website Overview
9:25-9:45:	Goodwill
9:45-9:50:	5-minute break
9:50-10:10:	YouthBuild Austin
10:10-10:25:	Upcoming events & Q&A

# Welcome & Overview

This meeting meets to discuss in-demand careers and post-secondary trainings available to clients in the greater Austin area. Pathways to Middle Skill Jobs will give you a snapshot of middle skill jobs in Austin with real-time labor market data, as well as information on local training providers who are recruiting for these middle skill career pathways and how to connect your clients to these trainings. Each month will have an industry theme with a training provider who will share information about their referral process to upcoming classes. This meeting is intended to be engaging and is best for case managers, CTE staff, career advisors, job coaches, advisors, and anyone who helps clients connect to middle skill jobs or career training

Career & Technical Academy

# About Us

The Goodwill Career & Technical Academy (GCTA) provides accelerated career training designed to:

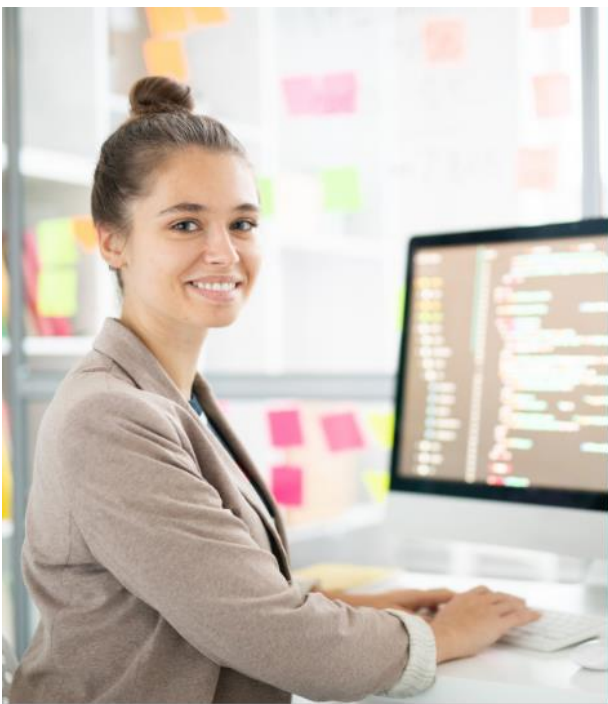

- help individuals attain an industry recognized credential
- build job readiness skills
- secure meaningful employment.

# Why the GCTA?

- Not all aspiring students have the opportunity or desire to pursue traditional higher education.
- students want an accelerated training experience that allows them to move into the workforce -and begin earning an income- in a timely manner.
- students value the benefit of an inclusive and supportive culture that prioritizes the success of every student regardless of their previous academic experience or background
- Training is available at no cost to students who qualify

Structure

Social connections

Sense of purpose

In-demand training

Industry-recognized  
credential

# Our Vision

Meaningful employment has both economic and non-economic benefits. In addition to income, work provides structure, an opportunity for social connections and a sense of purpose.

It is our goal to:

- Provide students access to in-demand training, obtain an industry-recognized credential and secure employment in their industry of study; and
- Foster a supportive ecosystem that boosts confidence, builds connections and encourages individuals to provide for themselves and their families, building a more secure future.

# About YouthBuild Austin

## Earn, Learn and Serve!

YouthBuild Austin American YouthWorks' YouthBuild Austin program combines education with paid career training, personal and professional development, and service projects.

# About YouthBuild Austin

The program offers young adults, ages 16 to 24, the opportunity to complete their education by earning a high school diploma at our on-site charter school or in our instructor-led GED program. No experience is required and participants receive paid career training and industry certifications in computer technology, healthcare, or green construction.

# AmeriCorps Grad Crew and Career Pathways

YouthBuild Austin also has service opportunities available for 18 to 28 year old high school/GED graduates from across the country to serve a full time AmeriCorps term.

AmeriCorps members provide meaningful service to the Central Texas community and help program participants reach their goals!

The AmeriCorps Positions vary from classroom assistants, to leaders in the vocational corps.

# What is it like to serve with AmeriCorps?

AmeriCorps is not a job, it is a term of service with non-profit organizations to strengthen the community.

- Receive a modest living allowance to cover basic expenses during the service term.
- Earn an education award to use toward college tuition or student loan debt.
- Obtain health insurance.
- Receive forbearance on student loans, and interest paid off upon completion of service term.
- Receive training on new marketable skills.
- Members jump-start their career and gain transferable skills employers value including leadership, teamwork, and problem-solving.
- Expand personal and professional networks, including a network of over 1 million AmeriCorps Alumni, and thousands of YouthBuild Alumni across the country.

# Classroom Assistants

Media Corps (urgently hiring!)

Health Corps

GED Classroom

Career experience for assistants:

- Gain industry recognized certifications (such as Adobe illustrator for Media Corps)
- Learn and implement restorative justice practices and gain experience mentoring youth
- Coordinate and lead service opportunities for program participants
- Create a student club that engages the members' interest such as running club, photo club, digital marketing club, art club and more.

# CVB Grad Crew

Earn Construction Certifications

Mentor YouthBuild participants on service site

Work in green construction

Gain leadership experience

Building homes for people experiencing homelessness at Community First Village

# Recruitment & Outreach VISTA

Gain digital marketing experience & certifications

Gain experience in doing research and grant writing

Network with professionals from organizations across all industries in the Austin metropolitan area

Gain experience with google suite and other staple office tools

Represent YouthBuild at community events, meetings, and highschool events

Increase alumni engagement in the recruitment process
