

Early Learning Program Updates

- May Referral Email - Be on the lookout for your May referral email. Read all of the information on the email. We will be requesting additional information on your current staffing challenges and request a response.
- Reporting Absences - All programs are asked to report each time that a child has 5 consecutive absences. Please connect with parents and encourage regular attendance.
- Child Care Availability Portal Unavailable - Now through the end of May, the Child Care Availability Portal will rely on information gathered through the Child Care Relief Fund to remain updated. Programs can update the Portal again starting in June.

Greetings,

Workforce Solutions Capital Area will be sending a monthly report with all active referrals. We hope that this will help you keep track of the children you are currently serving through the scholarship program.

April Reminders –

If your facility is currently at capacity due to teacher shortages, could you please let us know how many staff members you are needing? Workforce Solutions Capital Area would like to get provider responses so that we can try to assist your facilities with finding staff and keeping staff.

NEW: Provider Services Q&A Training every 3rd Thursday of the month!
