- Ages and Stages Developmental Screenings- We are piloting the ASQ-3 Developmental Screening tool and will be making it available for both CCS Parents and Early Learning Programs contracted with Capital Area. Stay posted for more information to come very soon!
- Please Report Children no long in care- With the start of the new school year, we ask that you report if a child was attending your center has left. Email [CCSproviderservices@wfscapitalarea.com](mailto:CCSproviderservices@wfscapitalarea.com) with any updates.

# TX3C: Changes Coming January 2024

- New Statewide Application for Families
  - TX3C will include an online statewide application for parents who are applying to the Child Care Services (CCS) program. The application is web-based and mobile device–friendly.
- Child Attendance
  - Your payments are not affected by a child’s occasional absences—payment is based on the child care authorized. However, a child’s eligibility may be affected if they are not consistently attending care. Providers must **ensure that parents record attendance** directly in TX3C or through a child care management system that uploads CCS attendance data to TX3C. More information about the attendance tracking system is available at <https://tx3c.info>.

# TX3C: Changes Coming January 2024

- Expanded Age Groups

- A new state law requires TWC to match age groups for provider payments with Child Care Regulation age groups. TX3C will support this change in the new year. You will be able to designate rates for more age groups, as demonstrated in the following table.

Current Age Groups		New Age Groups	
Infant:	0–17 months	Infant-0:	0–11 months
		Infant-1:	12–17 months
Toddler:	18 months–2 years	Toddler-1:	18–23 months
		Toddler-2:	2 years
Preschool:	3–5 years	Preschool-3:	3 years
		Preschool-4:	4 years
		Preschool-5:	5 years
School Age:	6–13 years	School Age:	6–13 years (no changes for this age group)

- Workforce Solutions Capital Area will request updated rates from programs prior to this change taking effect.

# TX3C: Changes Coming January 2024

- Improvements to Provider Payments: **NEW: Advance Payments**
  - Beginning in 2024, Workforce Solutions Capital Area will pay providers for authorized child care before care is provided (similar to private-paying families that pay tuition beforehand). The following are details on these prospective payments:
    1. Payments will cover two-week periods; you will be paid for the days that a child has been authorized to attend your program.
    2. If you receive an overpayment for a child whose authorization changes or ends during a period for which payment has already been made, we may adjust a future payment.
    3. TX3C will determine each child's age group based on the first day of the two-week billing cycle.
    4. TX3C will base the prospective payment on the provider's location (Board area), rather than the child's residence. The change will ensure that payments reflect the market rates and costs where the provider operates.

# Texas Rising Star Centralized Assessment Entity (CAE) to take over **September 1st**

- The Texas Workforce Commission (TWC) recently awarded a contract for a new centralized assessment entity for Texas Rising Star. Starting on September 1, the Children's Learning Institute (CLI) at The University of Texas Health Science Center at Houston will begin statewide management of all Texas Rising Star assessments.
  - TWC will continue to provide oversight for the Texas Rising Star program.
  - Local Boards will still provide mentoring support.
  - CLI will administer assessments through the centralized assessment entity.

Should you have questions at this time, please feel free to contact CLI at [caes@cliengage.atlassian.net](mailto:caes@cliengage.atlassian.net)

# Texas Rising Star Entry Level Designation Reminder: Must Meet TRS Screening Form After 18 Months

- If an Entry Level–designated program is not eligible for star-level certification in Texas Rising Star by the 18th month, the program may not receive CCS referrals for new families until it attains star-level certification.

Deadline	Action
CCS Provider Agreement start date	Child care and early learning program must meet Entry Level designation eligibility.
No later than 12 months	Boards must screen programs for initial star-level certification.
18 months	If the program is not meeting Texas Rising Star certification criteria, no new family referrals may be made.
24 months	The program must achieve Texas Rising Star certification to continue providing CCS.

Cohort invitations going out soon!

WFS Capital Area Mentors will help you achieve TRS Certification by supporting you through evaluation and enhancement of your **Procedures** while building **Relationships** based on **Equity** and developmentally appropriate **Practice**.

Early Learning Programs will be invited to a cohort based on survey response, eligibility, interest, permit type, program size, and mentor availability. Please email questions to [wfs.trs@wfscapitalarea.com](mailto:wfs.trs@wfscapitalarea.com).

# Texas Child Care Market Rate Survey

The Texas Institute for Child and Family Wellbeing (TXICFW) and Ray Marshall Center for the Study of Human Resources (RMC), have undertaken the 2023 Texas Child Care Market Rate Survey.

This report summarizes child care market rate data for the entire state of Texas and for each of its 28 local workforce development areas (LWDAs).
