Item VI:

WFS Bylaws, Article VI, 6.05

Consecutive absences: Any Board member absent without good cause from two consecutive regular meetings shall be considered for removal from the board.

Frequent absences: Any member absent without good cause from two Board meetings in a 12-month period shall be considered for removal.

After absences as described above, the Chair (or the CEO if requested by the Chair) shall contact the Board member to determine the cause of the absences. The Executive Committee will be notified of such absences.

If the Executive Committee determines there is good cause to excuse the absence(s), no further action is required.

If the Executive Committee determines no good cause exists to excuse the absence(s), a written notice reminding the member of this section shall be sent to the Board member and, if determined advisable by the Executive Committee, the appointing elected official maybe notified by phone as a courtesy. The Executive Committee shall then consider whether to initiate removal.

Item VII:

Gov't Code Section 552.139 - Exception: Confidentiality of Government Information Related to Security or Infrastructure Issues for Computers

- (a) Exception to Disclosure: Information relating to computer network security, restricted information under Section 2059.055, or the design, operation, or defense of a computer network, is *excepted* from mandatory public disclosure under the Texas Public Information Act (TPIA).
- (b) Specifically Confidential Information: The following types of information are *confidential* under this section:
 - (1) Computer network vulnerability report: This *explicitly* makes a computer network vulnerability report confidential.
 - (2) Other assessments of vulnerability: Any assessment of the vulnerability of a governmental body's (or its contractor's) data processing operations, computers, programs, networks, systems, or software to unauthorized access or harm is confidential. This includes assessments of vulnerability to alteration, damage, erasure, or inappropriate use of sensitive or critical electronically stored information. *This is a broad statement that covers many types of cybersecurity assessments.*
 - (3) Photocopies of employee ID badges: These are confidential.
 - (4) Information from routine security incident efforts: Information directly arising from a governmental body's routine efforts to prevent, detect, investigate, or mitigate a computer security incident

Gov't Code Section 2059.055 - Restricted Information

- (a) Limited Release: Confidential network security information may only be released to officials responsible for the network, law enforcement, the state auditor's office, and agency or elected officials designated by the department.
 - (b) What Constitutes Confidential Network Security Information: Information is confidential under this section if it is:
 - (1) Related to security system components: Related to passwords, PINs, access codes, encryption, or other components of a security system.
 - (2) Collected for criminal activity prevention: Collected, assembled, or maintained to prevent, detect, or investigate criminal activity.
 - (3) Related to an assessment: Related to an assessment made by or for a governmental entity.
