

## Child Care Provider List (In Alphabetical Order)

Selecting a child care provider is one of the most important decisions you will make as a parent. This list only shows providers whom we have existing relationships with. Always use [txchildcaresearch.org](http://txchildcaresearch.org) to find regulated care near you and find out how it complies with State standards.

The State requires child care providers to meet minimum licensing standards. These standards are basic health and safety standards; and do not address the quality of the program. Child care providers are regulated by the Texas Department of Health and Human Services. There are three types of regulated child care providers available to choose from:

- **Licensed Child Care Centers:** a child care facility that provides care for more than 12 children and is subject to regular monitoring by DFPS.
- **Licensed Child Care Homes:** a child care facility that provides child care for no more than 12 children under the age of 14 and is subject to regular monitoring by DFPS.
- **Registered Family Home:** a home in which the caregiver lives and takes care of no more than 6 children under the age of 14 plus no more than six additional school-age children. The total number of children, counting the caregiver's own children, may not be more than 12 at any time. Registered family homes may be monitored by DFPS as needed, or every 3 years.

### Ask for the Stars!

Child care providers can volunteer to go above and beyond minimum Texas Health and Human Services standards by meeting higher standards through child care certification or accrediting entities, including:

#### National Child Care Accreditations:

- National Association for the Education of Young Children ([NAEYC.org](http://NAEYC.org))
- National Accreditation Commission for Early Care and Education Programs ([NACCP.org](http://NACCP.org))
- National Early Childhood Program Accreditation ([NECPA.net](http://NECPA.net))
- National Association of Family Child Care Accreditation ([NAFCC.org](http://NAFCC.org))

#### Texas Child Care Certifications:

- Texas Rising Star Provider Certification [www.texasrisingstar.org](http://www.texasrisingstar.org)
- Texas School Ready! Certification (only for prekindergarten classrooms) [www.texaschoolready.org](http://www.texaschoolready.org)

Don't be left in the dark! Always check a child care provider's inspection record at Department of Health and Human Services website at: [http://www.dfps.state.tx.us/Child\\_Care/Search\\_Texas\\_Child\\_Care/](http://www.dfps.state.tx.us/Child_Care/Search_Texas_Child_Care/)
