Join us for virtual events tailored to your hiring needs and community-wide career fairs.

SUBSIDIZED EMPLOYMENT

Qualified candidates at reduced payroll costs

Subsidized Employment provides employers with a new worker to try out with little risk. Trainees work on (and follow personnel policies of) your work site — but on our payroll and liability insurance.

ASSISTANCE PAYING FOR EMPLOYEE TRAINING

We can support your business to train entry- and mid-level workers to prepare for, secure, and retain good jobs. Even when we can't fully cover the cost of an upskilling program, we are often able to subsidize your internal investments and significantly reduce the expense to your company, no matter its size.
