YOUTH EXPO

TUE DEC 5
2023

Austin Convention Center

POWERED BY

Over 2,500 local middle school students will embark on a journey to discover their future careers. Our aim is to bring hands-on explorative experiences to students to help them discover their areas of interest and what options are available to them in middle school, high school, and post-graduation.

An event of this magnitude could not exist without the generous support of the greater Austin business community. We invite you to join us for this unprecedented event, the first of its kind in our region. All proceeds benefit work-based learning and career exploration events for students in our region.
